Print-N-Play Downloads

Life is short, you designed a great game – you want to get it noticed. That's why Board Games Now is a moderated site. All entries are screened to ensure we offer only quality games that are tested, ready to enjoy.

We offer games in all genres in PDF format.

Submit your game design and our group of experienced designers will review it and respond quickly. BGN offers templates and advice to increase the success of your game.

If accepted, we'll set up your storefront and PDF download.

You can then manage your own storefront, set your own prices on downloads (including "free"), issue coupons, etc.

Customers buy your download via credit card or Paypal, all transactions are handled by our automated, secure ordering system.

REAL Print-On-Demand Games

Utilizing the proven and diverse capabilities of our partner, Blue Panther, Board Games Now offers a truly Print-On-Demand service for your design. Here's how ..

- Sign an exclusive license with Board Games Now for your physical board game product.
- Look through our helpful templates and pricing estimator.
- BGN will quote you a complete unit price YOU set your own final selling price.
- YOU provide the artwork, rules and game design. BGN provides ALL components, right up to the shrinkwrapped box !
- **No setup fees** if you do the file prep work. If we do it, a design fee will apply.
- BGN handles the business end of fulfillment, payment processing, shipping, etc. With true Print-On-Demand, we only make a game when your customer orders it. No minimum order size, no warehouse full of unsold product, no hassles for you.
- **Worldwide** reach for your game – our website handles US and international sales seamlessly
- You sit back and simply collect your game's earnings each month.
